

## Workshop on Advances in Integrated Hydro-Electric Reservoirs Operation

Workshop on Advances in Integrated Hydro-Electric Reservoirs Operation was held at Water Resources Management Company in Tehran from May 25<sup>th</sup> to May 27<sup>th</sup> 2015. The lectures from Japan, who were invited by the workshop's organizer, introduced the Japanese hydropower operation to the Iranian experts from local government and construction consultant companies. Water resources management is among the five priority fields of the Japanese technical cooperation scheme for Iran.

Mr. Wakabayashi, Minister of the Embassy of Japan, took part in the Opening ceremony of this workshop and delivered a speech together with Dr. Chavoshian, Director of the Regional Centre on Urban Water Management, Eng. Sayyari, Deputy in Planning and Economic Affairs of Water Resources Management Company, and Eng. Estiri, Director of the Hydro-Electric Management Centre.
