

## Grant Assistance for Grassroots Human Security Projects “The Project for Equipping Medical Center for Afghan Refugees in Khorasan Razavi Province with Medical Devices”

### Opening Ceremony of the Medical Center

Imam Baqer Charity Institute held an opening ceremony of “The Project for Equipping Medical Center for Afghan Refugees in Khorasan Razavi Province with Medical Devices” on September 17<sup>th</sup>, 2012, and some 60 participants including H. E. Mr. Kinichi KOMANO, Ambassador of Japan attended. In his opening speech, H. E. Mr. Kinichi KOMANO stated, “It has been also a great opportunity for me to provide assistance to Afghan refugees in Iran over the past two years. I do hope that the joint cooperation between Iranian government and people, on the one hand, and international governmental and non-governmental organizations, on the other, will continue in the future.”

The purpose of the project is to equip a medical center for Afghan refugees and vulnerable Iranians in Khorasan Razavi Province with medical devices in order to provide medical services at a low price or free of charge.

H. E. Mr. Kinichi KOMANO made a courtesy call on Mr. Mahmoud Salahi, Governor General of Khorasan Razavi Province.
