

Third JCC Meeting on the Project for Capacity Building for Earthquake Risk Reduction and Disaster Management in Tehran

The Third Joint Coordinating Committee (JCC) Meeting on the Project for Capacity Building for Earthquake Risk Reduction and Disaster Management in Tehran was held at the Conference room of Tehran Disaster Mitigation and Management Organization (TDMMO) in Tehran on October 1st, 2014.

The JCC is an important committee in which high government officials, JICA and other authorities participate and where their activities and future plans are both communicated and approved. About 70 participants from TDMMO, Disaster Management Departments of other cities and the Presidential office participated in this meeting.

Mr. Akira CHIBA, Minister of the Embassy of Japan and Mr. Kohei SATO, Senior Representative of JICA Office in Iran, took part in the meeting and delivered speeches together with Mr. Mohsen Nadi, Vice President of TDMMO.
